We proudly announce Fast-Notify service. Sierra Pacific Warehouse Group would like to introduce you to a more efficient way to get your shipping and receiving information. Do you want it now? *No problem!* The very second your transaction is confirmed, an e-mail will be on the way to you, with all the information you need. Need to 'cc' someone else in the office? *Again, no problem!* Just let us know who you want added to the list. Your Sierra Pacific Fast-Notify information is easy to read as a PDF attachment, or we can simply put your information in the body of an email. How's that for fast and efficient? Best of all, there is no additional charge for this high speed service. Call us today to sign up and change the way you do business forever and help us get information to you faster and save thousands of trees in the process. Your inventory accuracy is our highest concern.
